Gospel Summary

This Gospel is a way of explaining why there is good and evil in the world today. As Jesus explained in the parable, the weeds (or evil) are allowed to grow with the wheat (or good). Only at the harvest (the end time) would God separate the good from the evil just as the farmer will separate the wheat from the weeds in Jesus' parable.

Reflection for Families

How do we answer our children when they ask why bad things happen to good people? This parable of the wheat and the weeds may be a way of explaining why God allows evil, like the weeds, to grow next to goodness in our world today. Evil will not really be gone until the fullness of God's Kingdom.

Bringing the Gospel Into Your Family

Try as a family to think about why God allows weeds to grow among the wheat in today's Gospel story. Either by looking through the newspaper, or sharing news about people in your own community, family or neighborhood, think about where weeds are growing. Consider ways that as a family you can help control the spreading of these weeds. What actions will you take?
